COVID-19 Gems of Hope Updates

In response to the COVID-19 recommendations by the CDC and the local public health authorities, Gems of Hope will be closing our office and suspending all volunteer activities. We will tentatively open our office again on March 30, 2020 depending on the current information and recommendations at the time. We do not make this decision lightly, but the health and wellbeing of our community takes priority.

Gems of Hope will be accessible through electronic communication! Please email office@gemsofhope.com with any questions or concerns. We may be operating remotely, but HOPE makes a way!

We will update as we get new information. Thank you for understanding! Again, please send any questions or concerns to the office email listed above.

Thank you,
Kaytee Rairdin
Office & Volunteer Coordinator
